

Professional Indemnity Insurance - I.T. Industry

First and foremost we are an **Independent Commercial Insurance Broker** based in Central Scotland who has remained independent since our formation over 75 years ago.

We currently act for a number of leading **UK based I.T. firms** and service their **overseas** contracts as and when required.

We offer full **transparency** that comes from FSA regulation and the cover / premium benefits that our membership of a £450m p.a. premium organisation, "**Broker Network Ltd**", brings.

We provide the kind of **dedicated client service** that differentiates us from the purely "sales-driven" brokers that are increasingly operating across UK.

We have already invested heavily in **I.T Systems** that is designed to **enhance one-to-one communications**. In time-critical situations e.g. project deadlines, we can be relied upon to deliver.

In conjunction with our partner Insurer (**A+ rated by S & P**) we are able to offer bespoke Technology based **professional Indemnity** Insurance cover at extremely **competitive premiums**, our services include;

Thorough review of services, activities and Claims

Assess adequacy of current cover

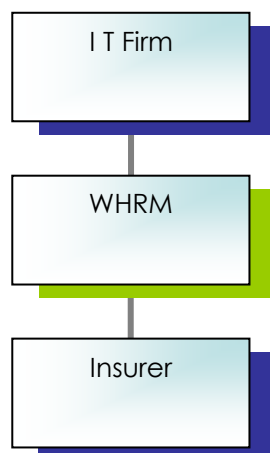

Identify uninsured risk exposures

Agree quotation timescales/deadline

Our I.T. **Professional Indemnity** product and service is likely to be an **ideal fit** with your organisation. We would welcome the opportunity to discuss the potential **benefits** that our product and service could offer you in future.

What are the benefits?

The following highlights some of the **key Covers** included:

- **Breach of Confidence**
- **Breach of Contract**
- **Intellectual Property Rights Infringement**
- **Civil Liability**
- **Computer Virus Transmission**
- **Court Attendance Compensation**
- **Dishonesty**
- **Irrecoverable Fees**
- **Libel & Slander**
- **Loss / Damage Documents**
- **Products Cover**

The scope of cover is one of the widest available in UK.

Please contact **Ian Kidd, Director** for further information who will be happy to arrange a meeting when and where convenient to you.
